

# BRIDGES INTO ENGINEERING & COMPUTER SCIENCE

## at Wilbur Wright College

### APPLICATION INFORMATION

Students can apply for the program during their senior year of high school. The online application opens in January 2019.

### ADMISSION REQUIREMENTS

- GPA: 2.0–3.5
- ALEKS score 30–75
- U.S. residency
- Application and essay submission

### ABOUT THE PROGRAM

A robust program to help increase the number of minority and underrepresented students in Engineering and Computer Science programs, the Bridges into Engineering & Computer Science focus on key transitions along students' educational journeys. Designed to take students from high school through community college and ultimately to a four-year institution, this program can prepare students for the rigors of a degree in engineering and/or computer science.

### BENEFITS OF THE PROGRAM

- Prepares students for a rigorous engineering curriculum.
- Paid summer bridge program (math preparation assessed by ALEKS test)
- Tuition fee waivers for qualified, low-income students for Engineering Gateway classes (one semester of math and science skills enhancement to further strengthen students' foundation)
- Student support with intensive tutoring, faculty and near-peer mentoring, intentional academic advising, and social and professional participation
- Scheduled visits to desired transfer institutions
- Memberships in professional societies
